DOUBLE WARRIOR VICTORY PUTS CAMINO INTO LEAD

Football Talent Will Highlight Alondra Tourney

Some of the greatest football talent in the nation will be in the field for the second annual Football Golf Tourney slated for next Monday at the Alondra Park Country Club. Sponsors are the Southern California Football Coach and Football Officials Associations.

Glenn Davis, former All-American from Army, and Bob Waterfield, stellar passer with the L. A. Rams, top the list of greats on the roster. Their coach, Joe Stydahar, and such aides as Ray Richards of the Rams will dominate the field.

"Tex" Oliver, former Oregon coach and recognized as one of the nation's top hands, and Ed Goddard, former Washington State All-American now coaching at Huntington Beach, will vie with Red Sanders, UCLA mentor, and Jess Hill, top man of USC football.

The tournament is open to all persons formerly or currently professionally connected with football.

Prizes will be presented to the winners of the different groups following the evening dinner to be held at Club Alondra.

Baseballers Boast Untarnished Record

El Camino's stellar baseballers, who slammed out two lopsided wins over the weekend, moved up into the Metropolitan League lead with the Bakersfield nine by virtue of their three win-no loss standing. A tie effort with the Long Beach Vikings won't enter the picture unless either squad makes the first championships.

It'll be quiet for the Warriors this weekend as Easter vacation shuts down the horsehide camp.

Tony Raia pitched a seven-hitter against the Border City crew last Saturday afternoon, issuing only one pass and struck out nine foes in the 14-1 Camino victory. The locals dropped Harbor 14-4 Friday.

A home run in the fourth inning by Knight Catcher Bob Roberts spoiled a shutout for the Camino chucker.

The Warriors' hard-hitting shortstop, Don Walker, slammed out three bingles for the afternoon, including two doubles, to lead the Warrior attack in their 13-hit bout.

Catcher Jerry Berg started the rally with a two-bagger. Les Mitchell walked and Raia singled to drive Berg across the plate.

Third-sacker John Mitchell followed with another hit and Jones walked to tally two more. Walker singled with the bases bulging to make it five runs in the big second frame.

The Warriors were nudged 5-4 by the Orange Coast nine Tuesday afternoon in a non-league tiff.

DOUBLE DUTY... Making with the feminine coffrage is El Camino College stellar swimmer Bill Dornblazer, National Junior College record holder in the 200-yard backstroke. The lad signed up in the Cosmetology Department, along with 40 gals, because he liked to fool around with hair.

Swim Star Surrounded By 40 Gals--All Day Long

Bill Dornblazer, El Camino's National Junior College record holder in the 200-yard backstroke, makes a unique trip each day—from the salon to the swimming pool.

A swimmer and water polist of national prominence, Dornblazer is the only male among 40 females in the local Cosmetology Department, something he accomplished at registration. Fact is he had planned to take a business administration course, but, says he: "When I came to Camino I saw the posters on the bulletin board in the lounge and thought I'd give it a try because I've always liked to fool around with hair."

However, to become a record-breaking swimmer is not quite so easy as just registering. Many hours of hard labor in the El Segundo plunge, under the direction of Coach U. E. Saari, acknowledged as one of the best coaches in the business, have given Bill his championship finesse.

Asked how he enjoys working around the 40 gals in cosmetology, Dornblazer replied: "It was rough the first three weeks getting adapted to the different environment, but now I find it amusing being around them (women) all. It's just like having 40 mothers the way they flock around, giving me help all the time. They even help me with my homework, and I couldn't find that in the Business Administration Department."

"But there's one thing for sure—I'm finding out it might be profitable to remain a bachelor." Along with the 30 hours a week he puts into the cosmetology course, Bill works out daily in the El Segundo pool so he will be able to continue to break records.

Optimist Track Meet for Boys Slated April 26

Annual Optimist Club Boys Track Meet will be held at the Torrance High School Stadium Saturday, April 26. It was announced yesterday by Coach Cliff Graybehl, chairman of the club's boys work committee.

Held each year as part of the club's "Friend of the Boy" program, the meet will be open to all boys in the Torrance area.

Events will include races, broad jumping, high jumping, shot put, football throw, and other track and field contests.

Principals of the various elementary schools in the district are being notified of the meet, Graybehl said. Any boy who has not yet entered high school will be eligible to compete.

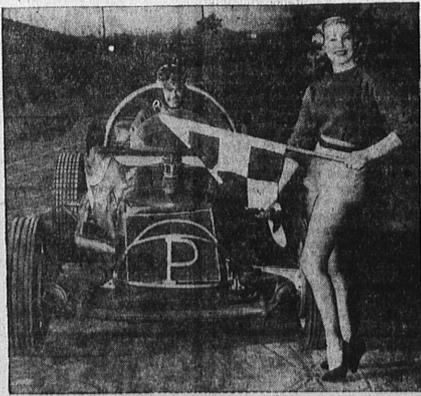

Scroggins Rates On Favored List

Hard-driving Coby Scroggins is rated the logical favorite for Sunday's CRA hot rod race which fills this week's speed bill at Carrell Speedway.

Scroggins is picked because of his victory in the opening race of the year at Carrell back in January. In that CRA event Scroggins drove the Menzies Daigh special to the checkered flag.

The veteran car-handler will face a field of nearly 40 drivers in Sunday's crucial.

Time trials are slated for 12:30 p.m., with the trophy dash heading off an eight-event card at 2:30. Four heat races and a 15-lap semi augment the 30-lap main event.

THE WINNAH... Lovely Margaret Scott gives the checkered flag to George Segar, one of the favorites in Sunday's CRA Hot Rod Race to be held at Carrell Speedway. Time trials start at 12:30; Trophy Dash at 2:30 p. m.

Pierpoint Report Points to Fair Bass Fishing Now

Here's the latest fishing reports from Long Beach's Pierpoint Landing:

San Clemente Island—Bull bass at this island getting better daily. First large schools of big yellow spotted over the weekend.

Catalina Island—Barracuda around that island in large numbers; however, catches are not big due to light loads. White sea bass beginning to show with the first one of the season brought in Monday.

Santa Barbara Island—Excellent catches of bass and bottom fish. Two hook-ups on big blacks last week, but both were lost.

Local Banks—Very heavy catches of bottom fish with halibut starting to come in. Barracuda have already been taken on the Horseshoe Kelp by commercial jig boats.

Pettit Gains First Win

Lefty Paul Pettit, ex-Narbonne High baseballer who was recently assigned to the Hollywood Stars from the Pittsburgh Pirates, earned his first win of the season for the Stars Sunday at Yuma, Ariz.

The lanky 20-year-old hurler topped the mound for five innings, giving up one run and five hits and was credited with the 7-2 victory over the Mexicali Eagles, Southwest International League outfit.

Two homers for the winners helped increase their scoring margin.

City Softball Sponsors Called

A final meeting of softball managers, sponsors and anyone interested in the city squads, will be held Friday in the city Recreation Department office, Elmer "Red" Moon, athletic director announces.

Final plans for A, B, and C softball team competition will be made, as well as schedules proposed, Moon said.

Meeting time is 7:30 p.m.; the office is at 1347 El Prado Ave.
